Опис вакансії

Right now MassMedia Group is looking for 4 Middle+ PHP developers. We offer IT-outsourcing services all over the world and give you an opportunity to work on interesting and powerful projects.

First of all, we need good, independent specialists.

Requirements:

- 3+ years of development experience in PHP 5.6-7.1
- Experience in working with PHP frameworks (Symfony, Laravel). Knowledge of Ruby frameworks will increase your value
- Good knowledge in MySQL, PostgreSQL, MongoDB (ability to work with complex requests)
- Deep knowledge in JavaScript, Angular.js, JQuery
- Understanding of HTML5, CSS3, Lass/Sass
- Strong OOP, SOLID
- Knowledge of Doctrine ORM
- Experience in TDD/BDD
- Experience in designing data storage schemes
- Working with apache, nginx web-servers
- Ability to solve architecture tasks
- Experience in working with version control systems (Git)
- Experience in working with Redis, Memcached
- Writing clean code
- English (ability to easily read technical documentation in English)

The following will increase your value, as a professional, for us:

- Experience in managing a team of developers
- Experience in delegating work
- Experience working due to Agile methods
- Experience in working with different APIs (Amazon, Social networks, etc.)
- Node.js, React.js, Ember.js
- Knowledge in REST API, PHPUnit
- Experience of working with Elasticsearch
- Experience in working on high-load projects
- Links to repos with your code, and examples of previous works

Responsibilities:

- Managing a team of developers
- Working with junior developers
- Coordinating Codereview
- Writing quality and clean code
- Taking part in discussions and making decisions regarding architectural solutions
- Writing/support of documentation of your projects

We offer:

- Salary according to qualifications and experience
- 28 days of paid vacation (IT-specialists, due to harmful effects of PC have a right to have 4 extra days of vacation, due to laws of our country)
- Paid days in case of Disability leave
- For professionals from other towns — help with moving, free realtor services and we pay the first month for your rent
- Corporate English Training
- Gym or swimming pool membership cards (if you want, of course)
- Working in a comfortable and roomy office in IT-sector in the city centre
- Ability to learn new features and tools as a developer
- Cheerful company parties. team deathmatches in Counter Strike, or paintball. Or just dominoes :)
