Опис вакансії

DataArt is currently creating a new multi-level service for one of the world leaders in the financial analytics market. In addition, we're creating a tool for versatile information processing for the company's analysts.

The company's annual revenue amounts to billions of US dollars. The improvement of systems that automate the work of their employees will help the client gain a new competitive advantage. We develop concepts and solutions for corporate business applications on a modern technology stack.

We're searching for specialists who will work in our office with open documentation of the world's largest financial institutions from several dozen countries.

Requirements:

Excellent knowledge of JavaScript, ES6

Experience working with ReactJS, Redux

At least 3 years of experience working with web technologies

Solid knowledge of HTML, HTML5, CSS, HTTP

Solid knowledge of English

Additional:

Understanding of AJAX, WebSockets

Experience working with Sencha Touch/ExtJS, jQueryMobile

Experience working SASS/LESS, PhoneGap and touch devices

Experience working CoffeeScript, HAML, Jade

Experience working CSS frameworks: Twitter Bootstrap, Foundation, others.

DataArt Offers:

Competitive salary.

Project bonuses.

Flextime.

Foreign business trips.

Paid overtime, vacation and sick leaves.

Voluntary medical insurance.

Corporate doctor services.

Foreign Language learning.

Internal Training Program.

Corporate events and meetings.

No dress-code.

Chill-out zone.

Gym access.

Office in a comfortable business-center.

Fruit breakfasts and dinners.

Unlimited tea and coffee.
